

CULLIGAN® AQUA-CLEER®

Product Features

Culligan Innovation and Reliability.

Five stages of filtration with 14 filter options. Aqua-Clear® offers more filtration options than any other drinking water system on the market.

Automatic Shutoff Valve (not shown)

Shuts off the system when the reservoir tank is full.

Quality Monitor (not shown)

State-of-the-art electronics automatically monitors the water quality.

Sediment Filter

Screens out sediments and particles. Various micron size filters available.

Carbon Filter

Reduces elements that cause water to taste and smell unpleasant, including the taste and odor of chlorine.

Reverse Osmosis Filter

Reduces dissolved substances such as radium, lead, arsenic V, and many others.¹ Various capacity membranes are available.

1. Consult the Performance Data Sheet for the specific contaminant reduction capabilities of this device.
2. Substances are not necessarily in your water.
3. Perchlorate cartridge is not available in California.
4. VOC is a broad term used to describe many chemicals and compounds that are known carcinogens.

Manifold Assembly

Molded using AlphaSan® antimicrobial resin, the patented single manifold ensures reliability and houses four separate filter technologies.

Reservoir Tank

Durable, high-quality steel tank ensures you'll have a plentiful supply of refreshing water. Various size tanks are available.

Designer Faucet

Multiple styles and finishes are available.

The Good Water Sentry™ Monitor option continually monitors the RO filter for optimum operation.

- Green means quality Culligan water.
- Red means it's time to contact the Culligan Man for service.

Optional Specialty Filters

Reduces substances² such as perchlorate³, VOC⁴, MTBE, mercury and arsenic III. A range of specialty filters are available.

Post Carbon Filter

A second carbon filter ensures your drinking water is clean and fresh.

CAUTION: Do not use with water that is microbiologically unsafe or of unknown quality without adequate disinfection before or after the system.

Limited Lifetime Warranty on Aqua-Clear®
(excluding expendable filter cartridge & RO membrane)

The contaminants or other substances removed or reduced by this water treatment device are not necessarily in your water. Source water exceeding chemical parameters requires pre-treatment.
